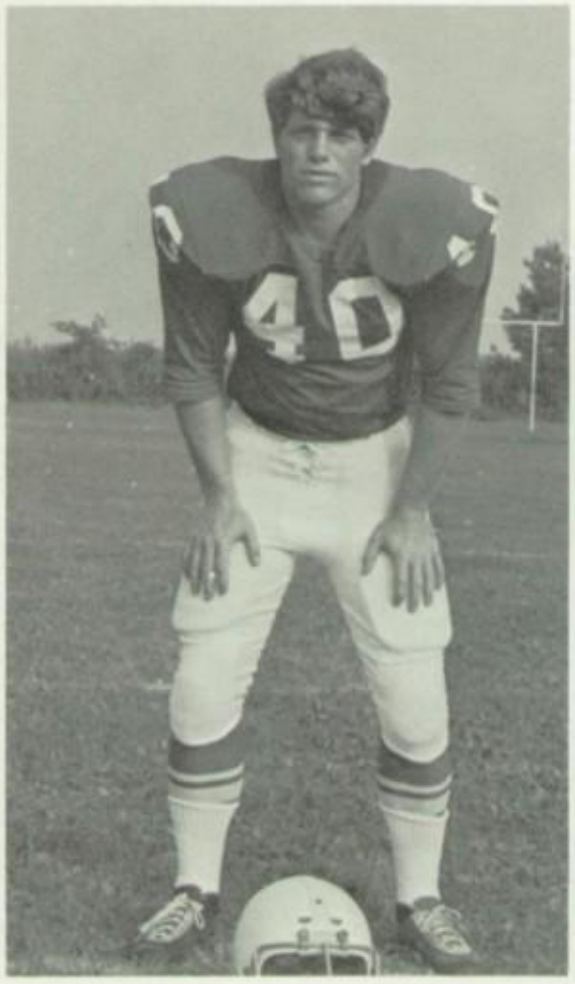
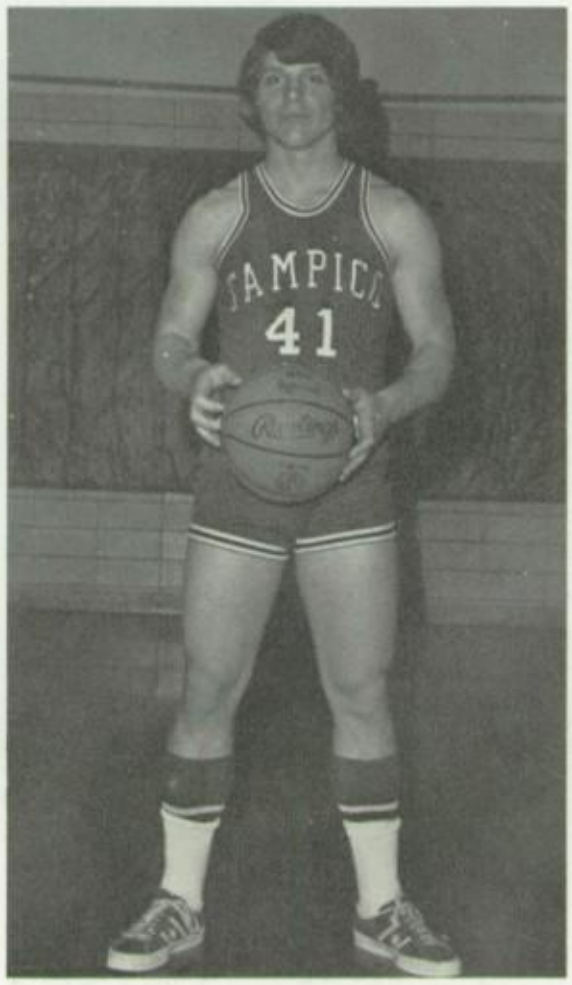
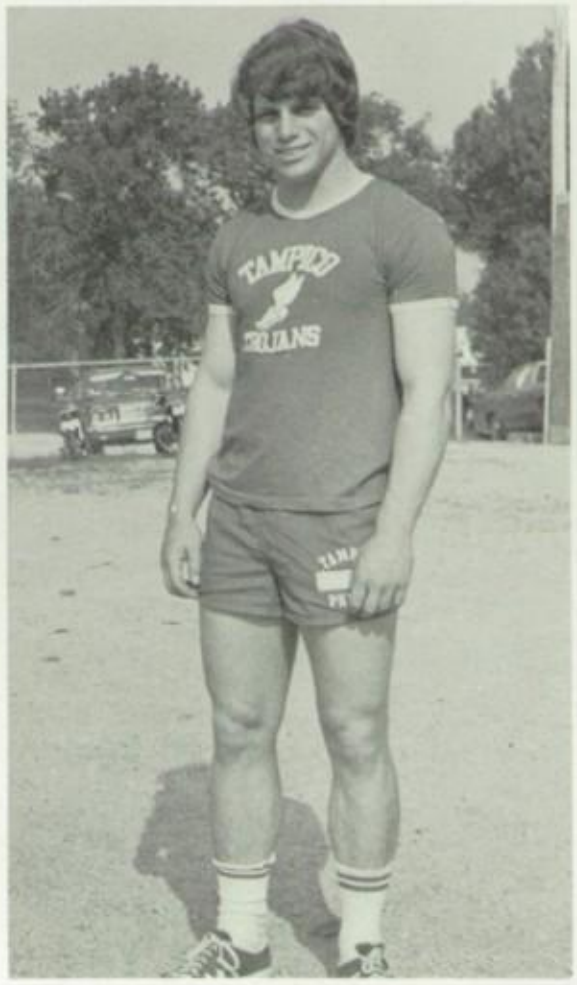
Senior Outstanding Athlete







1974 — Dennis Vetter

Dennis Vetter was named Senior Boy Athlete at Tampico High School. During his four years at Tampico Vetter participated in all three sports. In football Vetter served four years as Co-captain of his team, and also earned four Varsity Letters in football. For three years he was named to the All-Conference team. His junior and senior years he received Special Mention on the All-State team, and also during his senior year was named to the All-Area team. He also earned local recognition, being chosen the Most Valuable Player in 1972 and 1973, and the Best Offensive Player after his last season.

Basketball at Tampico also benefited from Vetter's skills. He played the courts for four years, and was Co-captain each year. Two Varsity Letters were awarded to him in basketball. After the '73-'74 season he was designated as the Leading Scorer and Rebounder for that Trojan team.

Vetter worked well on the cinders, too. He participated in track for three years, and was Co-captain each season. He earned three Varsity Letters in track. As a junior he won the Shan-Lan Long Jump. He is fourth at Tampico for career points with 260 for the Trojan teams. He still holds the record of 10.7 in the 100 Yard Dash in the Tampico Invitational Meet.

Congratulations to a hard-working, talented athlete from Tampico.

Other seniors who participated in all three sports were Nim Scanlan and Steve Rosenow.

Comments

"What mostly impressed me was the fact that we got along so good, really worked as a team." (Bill Freeman)

"I'll always remember the excitement of ending up with a perfect record and being number 1 in the conference." (Greg Blackert)

"It was good being able to go out and work together and having the satisfaction of knowing we all put out 100%." (Dave Peach)

"You have to be amazed by the progress a team can make in a few short years. I hope the prospective football players at THS have learned the value and the true meaning of the word 'Champion'." (Coach Becker)

"I admired our ability not to give up trying to win." (Bill Brinkman)

"What impressed me was winning the games, and playing on the varsity." (Pat Dorathy)

"Be they brave and be they strong, they couldn't stay with us very long." (Randy Doty)

"I was impressed with the support of the fans through all the games, mostly at the Wyanet game." (Rick Cady)

"I like the way we did not give up, and the support of the fans." (Denny Vetter)

"I was proud of the team's effort to win and the fact that we went 10 and 0." (Bob Parrott)

"What impressed me most was being a part of a team that couldn't be beaten even when the chips were down. We were a team in its truest meaning." (Stephen Rosenow)

"This was a long basketball season, for try as we may, we couldn't win a game." (Bill Brinkman)

"I must confess, it was a long winter. The only enjoyable aspect has to be the fact that the team was well mannered and acted as young gentlemen. Not a technical was issued to the varsity of THS this season." (Coach Brokaw)

"It was really cool the way we Seniors had the will to win 10 games straight." (Dave Batten)

"A winning basketball team must be well disciplined. Each player must be willing to make many sacrifices and to cooperate with the coach to the fullest. I wonder why we had such a terrible season!" (Coach Becker)

"I especially enjoyed football season this year because Tampico was a winner, truly number 1 in the area. I will always cherish the presentation from the football team." (Coach Brokaw)

"Ten and 0, ten and 0, I can't believe we went ten and 0 !!!" (Nim Scanlan)

"A record that can be nevermore set by the class of '74." (Doug Mitchell)

The cheerleading squad's main goal is to provide support for the athletic teams. They attend cheerleading clinics to learn new cheers and improve their skills. Many hours of practice with the help of their advisor, Miss Hagan, result in cheerleaders who are tops at Tampico.

A Perfect Finish for a Perfect Season

After an undefeated season in football, everyone was in a great mood! They wanted to boast of their very successful record. Everywhere was the cry of "Ten and 0!" The student body filled the gym one morning with happiness and celebration. The cheerleaders pepped up the crowd even more with shouts of "We're Number One!" and "V-I-C-T-O-R-Y!" Coach Wallace gave praise to the hard-working senior football players and other members of the victorious team. Coach Becker added more laurels to the boys who desired the perfect season and worked hard to fulfill their wish. They realized that an undefeated season would never again be possible, unless Tampico made it to become the State Champion in the Football Playoffs. That contest would begin in the '74-'75 school year.

The students wanted to show their respect for the defeated teams of the Little Eight Conference. "Reverend" White soberly gave the last rights to the coffin bearing the ten games' scores. There wasn't a dry eye in the place. Even Rick Cady shed a tear! To add to the solemn ceremony Becky Batten played taps.

The victory celebration ended with a rousing chorus of the Tampico School Song, and the proud students felt their Number One team was rewarded.

CONGRATULATIONS!!!

the Crown And the Celebration

28-6 is a terrific description for the 1973 Homecoming, as the Trojans demolished the Depue Little Giants.

The week consisted of hard work, long nights, and lots of fun for the students as they struggled to finish their floats. On Thursday night the traditional bonfire was held. Nim Scanlan and Anna Chriest were announced as the 1973 Homecoming King and Queen. A few words were spoken by the coaches and co-captains. The cheerleaders led the crowd through the streets in the snake dance. Their cheers helped to raise the spirit for the next night.

Friday was a beautiful day for a parade. Many of the villagers were surprised when they awoke to find Main Street filled with the annual Homecoming decorations of pumpkins, watermelons, and toilet paper. A terrific parade was enjoyed by streets of people with floats being presented for judging. The band marched in their new red and white uniforms, adding to the colorful scene.

A roaring crowd of spectators came to cheer the Trojans up one more step to the "undefeated season" they were after. They climbed this step without any trouble! Half-time activities included the crowning of King Nim and Queen Anna. Also, the judges announced the results of the floats, with seniors winning first prize with their float, "Totaling Up a Victory." The band performed a comedy sketch which included errors that our band doesn't ordinarily do.

The Student Council had done a fine job of organizing the Homecoming Dance, which ended the week's activities. The Grand March was led by King Nim and Queen Anna. The evening was a great success as past graduates were re-united with friends and present students.

Homecoming is the first gala event to involve the entire student body. The freshmen feel they are now a real part of high school. The sophomores and juniors have one Homecoming to chalk up in their memories. But for the seniors, this Homecoming is different. It means the last time they'll build a float together, and the last parade in Tampico. There will be no more Homecoming games for the senior players and cheerleaders. The seniors will attend the Dance as alumni now. No, Homecoming will nevermore be the same for the class of '74!

A Week of Work Ends With Festivities

Coach Don Wallace and Co-captains Dennis Vetter and Nim Scanlan revealed their strategy Thursday night at the bonfire and pep rally. They and the team promised a victory for Tampico.

The cheerleaders revved up the crowd's spirit at the bonfire. The fans were anxious for a smashing defeat for Depue.

Juniors placed second in judging with their float. Their prediction came true on Friday night.

The freshmen won third place in the float contest. Sophomores took fourth place for their effort. The art class also entered a float. Saturday night the students and alumni danced to the music of "The Sect" in the gym, decorated in the theme of the Wizard of Oz. The castle and the yellow brick road added to the atmosphere. The Lion, the Tin Man, Dorothy, and Todo attended the dance from Emerald City.

Tampico Graffiti

It was good to get home.

The thing I like best is that I always get to school early enough to see CAPTAIN KANGAROO!!

Class of 15 "The Best"

Not enough ACTION!

Tampico had a famous basketball season. We were 21-0, only we're the O.

"44"

I just would like to remind people to be entering high school in the future that fire escapes are for emergencies, not hunger-pains.

Blue jeans every day!

It was a bummer of a basketball season!

I didn't like all the dead animals in Miss Linda's class!

"Hey you, Come on down!"

Class of 77 "The Greatest"

I really enjoyed it when Mr. Brokaw was in a good mood and we kept teasing him about being a squirrel, and he got really embarrassed and tried to fight back but couldn't!

"Spirit of 76"

My memory of the school year is, I guess, all the fun I've had, because without goin' around once in awhile, a person could get very bored with school.

First hour study hall was UNBELIEVABLE!!

BUMMER!

FAR OUT!

The things I remember most is that our great football team of 1973 went undefeated and our not so great basketball team lost every game. We still love you guys!!!

"18"

I really liked the cheerleaders from other schools. It was fun to see you for a laugh!!!

D'd always remember our great football team. Yea!!

-Hi school!

The great times before and after the football games!

We'll always love boys!

The main thing that I will remember about Tampico High is the friendly people! I have been to a lot of schools and not one was as friendly as this one.

"14 EVERMORE"

I think the cooks are fantastic. Their tacos are out of this world.

Mr. Smiley's corny jokes. They get worse every day.

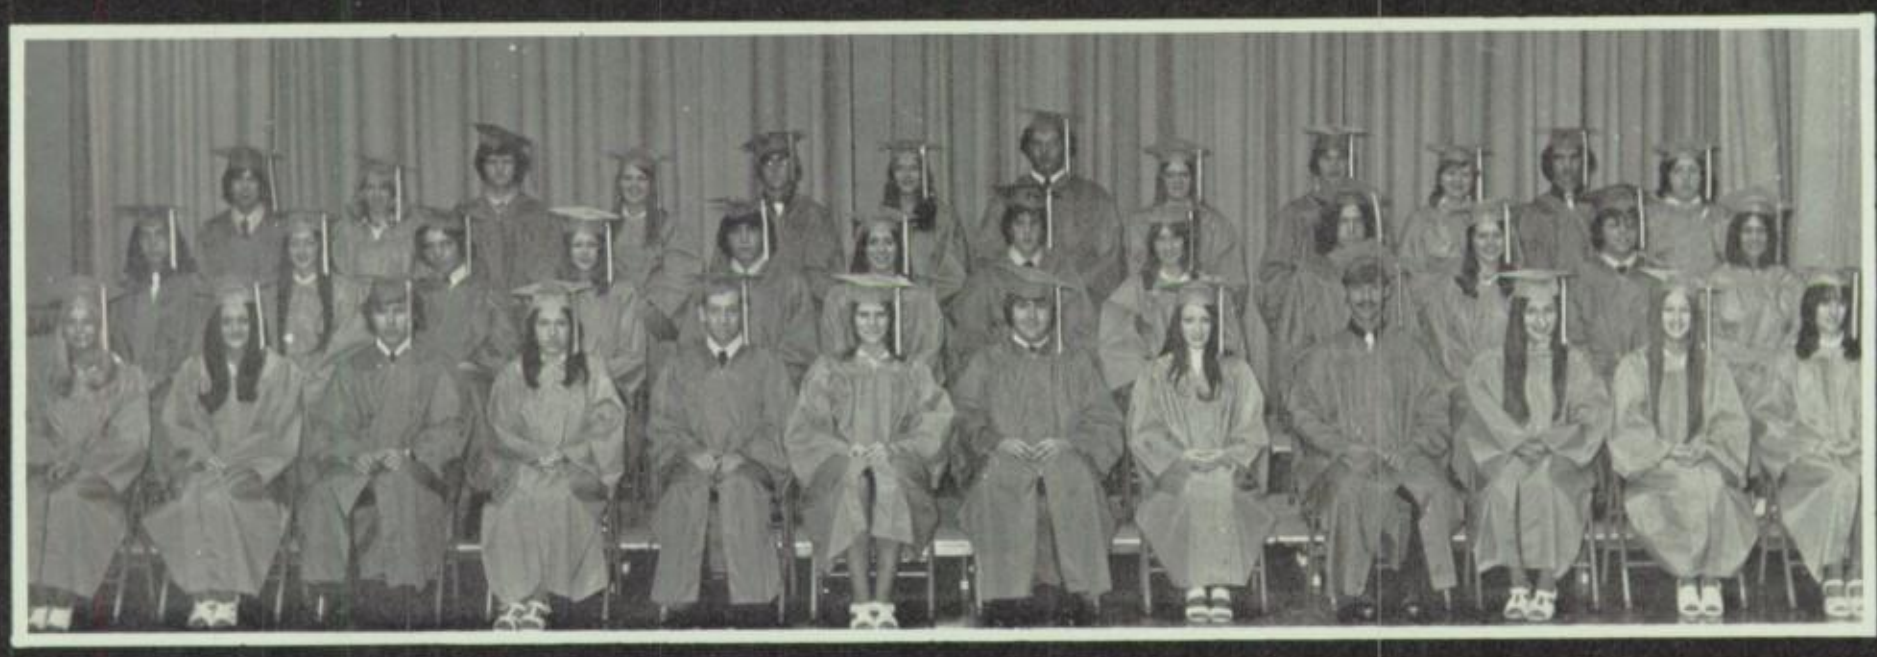
Class of 1974



As the last bell rings and we walk down the long, empty halls, we, the Class of '74, bid farewell to all the friends we are leaving behind at T.H.S. We'd like to thank you for making this the best year ever for everyone.

Although we were small, our size had its advantages. School spirit poured over ALL the students, making them function truly as a student body, for one one was a stranger here.

From our undefeated football season to our last basketball loss, a feeling of unity and loyalty was ever-present this year at Tampico.
